The Anjuman offers heartfelt condolences to the family of Mr. Dilshad H. Naqvi of Virginia on his passing away in late June. Mr. Dilshad Naqvi was the brother in law of Mr. Hasan Momin, a Director of the Anjuman and was a long standing member and a strong supporter of the Anjuman. We pray to Allah for the maghfirat of Mr. Naqvi and for the forgiveness of his sins with the intercession of the Masoomeen (A.S.). We request the readers to please recite a sura e fateha for the soul of Syed Dilshad Naqvi s/o Syed Izhar Husain Naqvi

### **SUCCESS STORIES**

*The Anjuman is thankful to the Almighty for letting us contribute to the betterment of the community through facilitation of higher education of our youth. Attaining higher education is not only our religious duty but it also affords better opportunities for the financial well-being of the student and his/her family. We continue with our series of success stories of our beneficiaries below:*

#### ***Dr. Haidar Al Saadi Attending Physician at Beaumont Hospital***

I did my undergraduate studies at The University of Michigan - Dearborn and received my Bachelor's of Science Degree in Biochemistry. After working a couple of years in an Environmental Lab, I was accepted into medical school at Michigan State University College of Osteopathic Medicine and graduated in 2010. I completed my residency in Emergency Medicine in 2014 and currently am an attending physician at Beaumont Hospital - Farmington Hills campus.

I would like to thank the Anjuman for helping me get to the point that I am in today. Their generous loan was a great help for me to be able to reach my goal of becoming a physician, Alhamdulillah. It is organizations like the Anjuman that can help our Muslim community succeed in this world and then in turn be able to give back to the community.

I also want to thank them for being very patient with me with regards to paying back the loan. They provided different options for me in order to make it feasible to pay it back. I have been able to pay it all back Alhamdulillah and have decided to become a member so that someone else can benefit from the same services I received. Insha'allah this process continues so that for generations to come we have a process by which our young students can benefit and pay it forward as well. Thank you again!

## INNER PEACE OF MIND

The inner disturbances that afflict the human heart, prevent him from enjoying true peace of mind. These disturbances often stem from a resentment of circumstances and an inability to accept things that cannot be changed. One of the signs of faith is calmness and strength of spirit bestowed by submission to Allah SWT. Outer circumstances cannot disturb this inner serenity. Submission is to trust that Allah SWT knows all things and has a master plan for our affairs.

The Holy Qur'an says: "Perhaps you dislike something while it is good for you, and perhaps you love something and it is evil for you, and Allah knows while you do not know" (2:216)

The women of Kербala have given us many lessons, among them, the peace that can be gained from submission to Allah's decree.

When Zaynab Binet Ali (a) saw her brother going off to the battle field, she prayed: O our Lord, accept from us this sacrifice. My God, if this pleases you, then take until you are well pleased.

The pleasure of Allah SWT is a paramount consideration in all affairs, and if it was His will that Husayn (a) be martyred, then Zaynab (a) would accept and submit. Submission and being pleased with Allah SWT's decree was their armor against the pain of the tragedy.

The fruits of complete submission include freedom, peace, happiness and tranquility.

Lead a more peaceful and happier life regardless of your circumstances by submitting to what Allah SWT has decreed.

As Imam as-Sadiq (a) says: Happiness and comfort lie in Ridha and Yaqeen, while worry and grief lie in doubt and anger at Allah SWT's decree.
